

Without changing the HTML, try to create a layout that reproduces what is shown in the provided image.

Here are some design decisions to be aware of:

- The page uses a grid layout.
- The columns in the grid are evenly sized.
- The margins on the side are: 8%
- The gaps between the grid cells are 20px vertically and 50px horizontally.
- The experience section should use a flexbox layout.

- Here are the following color styles:
  - Blue: #00ADEE;
  - Grey: #505355
  - Background Color: rgba(192, 192, 192, 0.1);
